

## Lesson 27

Here is an explanation of each image in English, from top to bottom, left to right:

1. **Milk turning into butter** – This image shows the process of transforming milk into butter, illustrating a change or production process.
2. **Person stealing a purse from a car** – A person is reaching into a car to steal a yellow purse, representing theft or a robbery scene.
3. **House under construction** – This image shows a house being built, likely representing construction or the beginning stages of building a home.
4. **People jumping happily in front of a house** – A man and a woman are jumping joyfully in front of a house, suggesting they might have just bought the house or are celebrating something related to it.
5. **Janitor cleaning the floor** – A person is mopping the floor, and there is a caution sign nearby, representing cleaning or maintenance work.
6. **Person receiving a massage** – This image shows someone receiving a massage, which represents relaxation or wellness treatment.

Each image seems to represent different actions or processes, from production and theft to construction and relaxation. Let me know if you need further clarification!

---

### COMPRENSHION

#### a) What were Eric, Emily, Denis, and Katie doing?

- They were discussing the weather in different parts of the world, such as New York, Brazil, and London.

**b) What's the topic of their conversation?**

- The topic of the conversation was the weather in different countries and how it affects people and their activities.

**c) Why do you think Denis doesn't understand what the weather is like in New York?**

- Denis is from Brazil, a tropical country, and he is not familiar with the drastic changes in temperature and weather typical of New York.

**d) How does Katie describe her hometown?**

- Katie describes London as having chilly winters, but rarely below freezing, with daytime temperatures between 6°C and 8°C, and sometimes with light snow.

**e) What's your favorite season and why?**

- This is a personal answer. For example: "My favorite season is summer because I enjoy outdoor activities."

**f) How does the weather affect your mood?**

- This is also a personal answer. You could say something like: "Sunny weather makes me feel more energetic, but cloudy days can make me feel more introspective."

**g) Have you ever been caught in bad weather? If so, what did you do?**

- Personal answer. For example: "Yes, I once got caught in a storm while traveling. I had to take shelter in a café until the rain passed."

**h) Where do you get weather information?**

- "I usually get weather information from weather apps or by watching the news on TV."

**i) Do you prefer hot or cold weather? Why?**

- Personal answer. For example: "I prefer hot weather because I enjoy swimming and outdoor sports."

**j) Is it important to know future weather conditions in advance? Why do you think so?**

- "Yes, it's important to know the weather in advance to plan my activities and avoid being caught off guard by storms or extreme conditions."

**k) What kind of climate do you prefer when choosing a place to go on vacation?**

- "I prefer a warm and sunny climate when choosing a vacation destination because I enjoy the beach and outdoor activities."

**1. Complete the sentences with the Present Perfect Continuous.**

- a) Me and my friends **have been rehearsing** for the musical for three weeks.
- b) The scientists **have been looking** at the photos taken by the space probe.
- c) We **have been living** in this house since we got married.
- d) He **has been annoying** her with this noise.
- e) Jimmy **has been crying** for nearly an hour.
- f) I **have been waiting** for her for a long time.

**2. Change the sentences from exercise one into negative and interrogative forms.**

a)

N: Me and my friends **haven't been rehearsing** for the musical for three weeks.

I: **Have me and my friends been rehearsing** for the musical for three weeks?

b)
